ASSOCIATION OF INNER WHEEL CLUBS IN GREAT BRITAIN & IRELAND

Roborough Inner wheel Newsletter February 2023

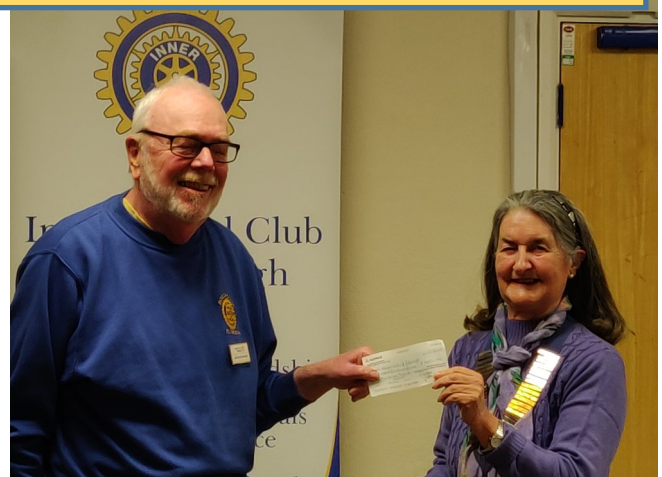

Yet another busy month for our club. Sara as always arranged a lovely get together at Otter Nurseries. A group chat over tea and coffee followed by a shopping experience. Thoroughly enjoyed by quite a number of us. Although disability access could be improved.

WANTED

Ladies we are in need of the following in order to have a full committee for next year: A Vice President and a Correspondent. Could anyone help please!

Mr Graham Hayman (President) attended our last club meeting in order to thank the ladies for supporting Roborough Rotary with their static Santa collections. A Cheque was presented to our President Jacqueline which will be donated to charitable causes.

A very special occasion when we welcomed Ruth into our club. Ruth gave a lovely speech which heartened us all. We look forward to spending more time with her. Her drive and enthusiasm will be an asset to the club. Well Done Ruth.

The lovely and animated Eliza Carver Trotter, a member of Rotherham Rotary gave us an interesting, funny and informative talk on her upbringing in Hong Kong. From Chinese birth signs to cultural differences. Hopeful we could see her again!

News of members:

Maureen's husband Graham is very poorly.

Beryl continues to improve after her fall and hip replacement.

What a remarkable woman she is.

Anne is now comfortable and being taken care of in Derriford.

Rosemary is now happily settled in a home in Exeter near her family.

Our thoughts, best wishes and prayers are with them.
