ASSOCIATION OF INNER WHEEL CLUBS IN GREAT BRITAIN & IRELAND

Roborough Inner wheel Newsletter April 2023

Hello lovely ladies. Yet another month has gone by. Where does the time go? Soon it will be Christmas! We have had some sunshine amongst the quite torrential rain at times and we now have a hose ban. I know like me some of you been out on your gardens, busy planting ready for beautiful flowers, ripe fruits and fabulous vegetables in the Summer and Autumn. Wouldn't it be lovely to have photos of your gardens so we can share all that colour? Photos please! Once again Our Sara arranged for members to visit and have coffee together. This time at Devonport Park. Thank you Sara.

Wrapped up well there ladies! A Little bird tells me you were accompanied by a young man!

Our Andrea reported back on the Blackpool Conference. Mother & Daughter . Lovely Photo. Start saving for the big one ladies!

On Wednesday the 26th April, we held our Annual cheese and wine event. It is at this meeting, that we had out the charity cheques. At Christmas we supported Plymouth Roborough Rotary with their Santa Sleigh Collection. The money raised was given to three charities based here in Plymouth.:-

Plymouth Children's Storehouse
The Baby Bank (Run by Southway Community)
Jeremiah's Journey

Each representative gave a short talk on what they do and what age ranges they cover. It made me realise just how fortunate I am and I expect other ladies felt the same. So much is needed by families and these wonderful volunteers do so much to answer that need. Fantastic work under quite difficult circumstances.

Well ladies another month has gone by and we now look forward to our Charter lunch on May 10th and then the AGM when we see president Jacqueline retire and Bridget (Me) take over.
