

Roborough Inner Wheel Newsletter March 2023

Yet another busy month for some of our members. As Sara was away, it fell on Sylvia to arrange the Nursery garden visit. This month's coffee/tea and cake meet was at Crownhill Nursery. I wonder how many ladies resisted buying a plant or two?

We had news that Rosemrey had settled in her new home and Sarah Chesters is hoping to visit her regularly. Sarah has asked if anyone would like to go with her. Please contact her directly.

We had a very interesting and informative talk by Maureen and Alan Stockdale on Plymouth Mayflower Specials. They run a club for people with intellectual difficulties giving time for them to find new friends, have fun and learn new sports. They provide a safe welcoming and accepting environment. An amazing couple!

Blackpool. Yet again Andrea and Ian are there to promote LIAB.

Thank you both. Looking forward to hearing feedback on the Conference.

Ladies that Lunch.

District meeting at the Peventon Hotel.

On a serious note members are needed on the District committee!
