

# InnerWheel

ASSOCIATION OF INNER WHEEL CLUBS IN GREAT BRITAIN & IRELAND

## Roborough Inner wheel Newsletter May 2023

Another month has past us by. Time does indeed fly. May already! We are preparing ourselves for Jacqueline to complete her year and hoping the New President is planning for the next one. Hopefully we will see you all at the AGM on June 28th .

We have had such lovely weather and I look forward to receiving some photos of your favourite flowers as they come into bloom in your gardens.

President Jacqueline presented a cheque to MND Plymouth. Supported by our lovely Beryl, Sara, Patricia and Andrea.

A worthy cause and one close to all our hearts.

Out and about again! This time Andrea is doing the honours of handing over a cheque to Devon and Cornwall Food Action.

Ladies without all your support the four charities we chose would not have benefitted. Well done.X

Three of our ladies jetted off to Cyprus to help Vicki enjoy her birthday. Looking very relaxed and tanned. I wonder if they had a Meze and a Brandy Sour whilst there.

# Charter Day Lunch

Photos far superior from any of mine were taken by Pam. Thank you Pam. The beautiful flowers were by Debbie. What a star she is. The President of Rotary Graham Hayman was amongst the guests wishing us well.
