Roborough Inner wheel Newsletter September 2023

Hello again ladies. September already, how time does fly. We leave behind the sunny days and move into Autumn. All the beauty of nature surrounding us in such gorgeous colours. We have been busy. I hope like me you enjoyed the talk given by Terry McAuliffe (photo below) of Holly Park Apiaries. Should we hold a test to see how much we learnt and can remember? I know I would fail dismally!

Gifts for Guests attending the Manchester convention. Pam, Jacqueline and Bridget being 'busy Bees' Corner book marks and sewing kits
