ASSOCIATION OF INNER WHEEL CLUBS IN GREAT BRITAIN & IRELAND

## Roborough Inner wheel Newsletter October 2023

At our last meeting we had a very interesting talk by Rachel May representing the Fire Brigade. Quite a number of our ladies took the opportunity to book a home visit. We are now more aware of safety in the home.

District Meeting 'new Style'.

A very good buffet lunch with Pudding.

The hardworking ladies who prepared and served the lunch.

**Knitting of squares.** Garter st.

No 4mm (8) needles. DK any colour.

Cast on 2 sts, knit first row. Then inc 1 st each end of next row. Knit a row. Continue until you have 42sts. Then start the decrease the same way. Finally knit 2 together.

Received from Liz Williams.

It was such a shock to Graham and I to learn of the passing of Phil Greenwood. I know many of you will feel the same. We send our heartfelt condolences to our Pam.

Pam had mentioned swimming at the Lido a number of times. I felt the need to support her efforts. Off we went and it was freezing, Not at all what I have been used to!

Visit by 5 members to 'The Box'. Very educational. If you have not been it is well worth a visit.

### The Leaf

Watching you little leaf as you  
sway and shiver,  
Hanging, clinging to the limb as  
you quiver.  
You have been there through  
Spring, Summer, Autumn and  
Winter.  
Your colours forever changing,  
through to copper.  
A sweet, sticky bud, unfurled to a  
brilliant green,

A relieving colour at the end of the winter  
scene.

You accepted the kiss of the rain and the  
warmth in the sun.

From the coolness of the spring,  
To the heat of the summer fair.

Why are you there little leaf?

Living in our foul air.

Through the months you played your part  
Little do we know you are the beating  
heart. BMH
