ASSOCIATION OF INNER WHEEL CLUBS IN GREAT BRITAIN & IRELAND

Roborough Inner wheel Newsletter November 2023

District Chairman Beatrice Dyer joined us, giving an inspiring talk. A very informative evening with some gentle teasing of the President! Beautiful flowers handed over to Beatrice. Thanks to Sara.

As President I was delighted to induct not one but two new members. Penny and Maureen are very welcome and we look forward to getting to know them and enjoy their company. They will be such an asset to our club.

Pam put together a very good display which demonstrated what we have been part of so far this year.

A busy time and more to come. Thank you Pam.

- Birthdays December
- 2nd Irene Atkey
- 17th Jacqueline
- 18th Beryl

Two of the ladies mentioned in the Birthday List have quite significant birthdays. One is celebrating their 75th and the other, which was a surprise, her 85th. Enjoy your birthdays whatever you are doing.

Our furthest member Maureen enjoying the meeting from the far north of the country. A valued member of the club.

We managed to connect with Maureen using Facebook Messenger. Lovely to talk to her. Members can stop and chat while we have our coffee/ tea break. Pity you missed the cakes Maureen!. Very yummy ones baked by Jan and Jacqueline. What culinary stars they are. Thank you both.

Good to see this smiling face again. Rosemary enjoying reading about the club and all that we have achieved.

Jane and Ally Piper from PU-MA were busy loading 70 shoe boxes, knitted goods and the 100 paracetamol boxes that we collected

A big thank you from Jane.

What are we collecting now? Knitted 6" squares, bras, blister packets, plastic bottle tops. Clean crisp pkts. Medicine. See List with boards.

Together we can make a difference. Thank you ladies
